Notes of Advisory Committee

2011 Amendment

This amendment establishes a rule that is consistent with the District Wide Administrative Order Establishing Initial Procedures in Chapter 11 Cases Filed in the United States Bankruptcy Court of the Middle District of Florida, FLMB-2009-1. Additionally, it requires that Small Business Debtors file a Schedule of Receipts and Disbursements in addition to Small Business Monthly Operating Reports.

Federal Rules of Bankruptcy Procedure 6003 and 4001 should be considered with regard to “first-day” motions. Consideration should also be given to the Court’s general procedures for emergency hearings.

The addition of headings and subheadings is a stylistic rather than a substantive change.

1997 Amendment

This amendment conforms the existing Local Rule to the uniform numbering system prescribed by the Judicial Conference of the United States and to the model system suggested and approved by the Advisory Committee on Bankruptcy Rules of the Judicial Conference’s Committee on Rules of Practice and Procedure. In renumbering the Local Rules to conform to the uniform numbering system, no change in substance is intended. This amendment is effective on April 15, 1997.

This rule was formerly Local Rule 3.02. The Advisory Committee Notes to the superseded rules may be helpful in interpreting and applying the current rules.

1995 Amendment

The amendment dispenses with the requirement for the filing of a motion for authority to operate the business of the debtor. Consistent with current practice, it is contemplated that the court will enter an order sua sponte setting forth the requirements for operating the business of the debtor. It was the view of the Advisory Committee that dispensing with the requirement of filing a motion would reduce needless paperwork for counsel and the Clerk’s office.

These amendments were effective on February 15, 1995.
